WHO WE ARE

PT Simpang Kopi Indonesia is an aspiring producer in the beverage flavor and coffee industry, specializing in producing a diverse range of flavored powders, syrups, and premium coffee beans. With a steadfast commitment to creativity, quality, and responsible consumption, we serve the hospitality sector including hotels, restaurants, bars, cafes, and catering businesses. Our dedication to innovation, coupled with a focus on both contemporary and classic flavors, positions us as a key partner in shaping the future of the beverage industry.

La Terra Coffee is a premium coffee roastery dedicated to sourcing, roasting, and distributing the finest Indonesian Arabica and fine Robusta beans. With an unwavering commitment to quality, sustainability, and excellence, we cater to the discerning tastes of hotels, restaurants, and cafes seeking to offer their patrons an unparalleled coffee experience.

La Terra Syrup & Powder, our premium syrups are perfect for adding depth and complexity to beverages. They are suitable for both alcoholic and non-alcoholic drinks, coffee blends as well as tea enrichment, offering a harmonious balance of flavors. Our powdered flavor blends are versatile and customizable, designed to enhance a wide variety of beverages, from cold and hot coffee or non coffee drinks to cocktails and mocktails.

La Balinis is a distinguished brand dedicated to enhancing the world of beverages with a captivating array of natural and exotic flavors. From coffee creations to non-coffee delights, mocktails to cocktails, our syrups are designed to infuse every sip with a burst of unique and unforgettable taste. La Balinis Syrups takes pride in being the flavor catalyst that adds excitement and sophistication to bars, coffee shops, restaurants, and homes.
