LA TERRA

Brewing Good Coffee Everywhere,
For Great Life Everyday.

ABOUT US

PT Simpang Kopi Indonesia is an aspiring producer in the beverage flavor and coffee industry, specializing in producing a diverse range of flavored powders, syrups, and premium coffee beans. With a steadfast commitment to creativity, quality, and responsible consumption, we serve the hospitality sector including hotels, restaurants, bars, cafes, and catering businesses. Our dedication to innovation, coupled with a focus on both contemporary and classic flavors, positions us as a key partner in shaping the future of the beverage industry.

La Terra Syrup & Powder, our premium syrups are perfect for adding depth and complexity to beverages. They are suitable for both alcoholic and non-alcoholic drinks, coffee blends as well as tea enrichment, offering a harmonious balance of flavors. Our powdered and syrup flavor blends are versatile and customizable, designed to enhance a wide variety of beverages, from cold and hot coffee or non coffee drinks to cocktails and mocktails.

La Rosterra is a premium coffee roastery dedicated to sourcing, roasting, and distributing the finest Indonesian Arabica and fine Robusta beans. With an unwavering commitment to quality, sustainability, and excellence, we cater to the discerning tastes of hotels, restaurants, and cafes seeking to offer their patrons an unparalleled coffee experience.
